MICIP Portfolio Report

W-A-Y Academy

Improving CSI Scores

Status: ACTIVE

Statement: Improving our overall School index from 6.9 to at least 30 in order to be removed from CSI status determined by MDE by June of 2026.

Created Date: 05/30/2023

Target Completion Date: 06/26/2026

Strategies:

(1/3): Dropout Prevention-Engage students by offering curricula and programs that connect schoolwork with college and career success

Owner: Cameron Nichols

Start Date: 05/30/2023

Due Date: 06/26/2026

Summary: Students are engaged in school when they are interested in their classes and see them as important to their future, and when they feel they belong in school. Engaged students have good attendance, come to class prepared, and are able to navigate daily challenges in and out of school.⁸⁷ These behaviors, in turn, improve course pass rates and help students establish positive relationships with teachers and peers, reinforcing students’ sense of belonging in school.⁸⁸

(2/3): 23g Tutoring

Owner: Isaiah Pettway

Start Date: 10/31/2023

Due Date: 06/26/2026

Summary: Tutoring, defined as supplemental one-on-one or small group instruction, can be a powerful tool for accelerated learning. Tutoring is an effective intervention because tutoring:

- customizes learning to target a student’s immediate learning needs.
- provides additional instructional time by aligning the tutoring activities to current classroom activities.
- offers more engagement, rapid feedback, and less distractions in one-on-one and small group environments.
- creates meaningful mentor relationships.

(3/3): Early Warning Intervention and Monitoring System (EWIMS)

Owner: Trena Braswell

Start Date: 11/01/2023

Due Date: 06/26/2026

Summary: EWIMS is a systematic approach to using data to identify students who are at risk of not graduating on time, assign students flagged as at risk to interventions, and monitor at-risk students' response to intervention. The EWIMS model provides schools with guidance to implement a seven-step process, supported by the use of an early warning data tool. The tool uses validated indicators, based on prior research, to flag students who are at risk of not graduating on time (Heppen & Therriault, 2008; Therriault, Heppen, O'Cummings, Fryer, & Johnson, 2010) and allows schools to assign students to interventions and monitor their progress. The indicators used to flag at-risk students in the tool are chronic absence (missed 10 percent of instructional time or more), course performance (failed any course, grade point average [GPA] below 2.0), behavioral problems (suspended once or more), and an off-track indicator (failed two or more semester-long or three or more trimester-long core courses or accumulated fewer credits than required for promotion to the next grade). The EWIMS model is intended to help schools efficiently use data to identify at-risk students and provide targeted supports.

Monitoring Notes

Monitoring Notes: 23g Tutoring

Implementation with Fidelity - What progress are we making on implementing the selected strategy as intended? What is the evidence?

Date	Note	Author
05/19/2024	23G Kids on Track grant submitted and approved for the use of tutoring.	Trena Braswell

Scale / Reach - What progress are we making on reaching the intended populations? What is the evidence?

Date	Note	Author
05/19/2024	The focus is to offer in school and afterschool tutoring for all grades 6-12 through our Centric learning platform. Students receive tutoring in core subjects and are assigned to tutoring sessions by staff. Scheduled sessions are in 30 min or 60 min blocks.	Trena Braswell

Capacity - What progress are we making on supporting implementation of the goal with sufficient resources? What is the evidence?

Date	Note	Author
05/19/2024	Students are utilizing the tutoring sessions. Tutoring is provided for all students as needed. Staff needs encouragement in understanding the importance of documenting tutoring. Weekly reminders and monitoring, by administration, of the tutoring schedule will occur as follow through.	Trena Braswell

Date	Note	Author
03/11/2024	<p>The two Engagement Coaches have been re-signed for the 23-24 academic year. We're utilizing the test prep from Nearpod. Students complete Xello with the engagement coach each year. This is where their Educational Development Plan (EDP) is created, updated and completed.</p>	Trena Braswell

Scale / Reach - What progress are we making on reaching the intended populations? What is the evidence?

Date	Note	Author
03/11/2024	<p>The Engagement Coaches work with all students grade 6-12. The focus is to work with students to help navigate through Xello, college & career planning and course work. He/she meets with the students bi-weekly or monthly depending on the grade level.</p> <p>Test prep is given weekly each Wednesday. In small groups, students are prepped in the areas of reading and math using Nearpod. During the test prep time, students learn different test taking strategies, review the answers, identify obviously wrong answers and collaborate on identifying the correct answers.</p> <p>Every student completes Xello either through an induction when they enter the academy or through a renewal of their plan when they meet with the engagement coach.</p>	Trena Braswell

Capacity - What progress are we making on supporting implementation of the goal with sufficient resources? What is the evidence?

Date	Note	Author
03/11/2024	<p>We have found it necessary to replace one of our engagement coaches. The new coach will begin on March 18, 2024. Training will be provided over the course of the first month. The new coach will begin working with students within the first week of employment.</p> <p>At this time, Nearpod and Xello are fully implemented and running smoothly.</p>	Trena Braswell

05/19/2024	<p>Monitor Attendance - Staff meet monthly to track attendance, credit attainment and test scores for all students in grades 6-12.</p> <p>Afterschool Tutoring - Staff currently services 21 students for afterschool tutoring. Staff has worked with students from February to May.</p> <p>Mentoring for SEL Counselor - The SEL Counselor works with a caseload of approximately 20 students. However, she's available for all students if needed.</p> <p>Mentorship Program YAP (Youth Assistance Program) - Currently we have 12 students who participate in the program. Students must complete an application and parental consent to participate in the program. The focus of the program is to reach high school students between the ages of 14-17.</p> <p>Increase Student Engagement with Robotics - Robotics is available to high school students. We currently have 11 students participating.</p>	Trena Braswell
